Draft Horse Sponsorship with United In Light, Inc.

Help a draft horse live a happy life and hear their story.

This is great for those who want to be a part of a horse's life without having one in their backyard.

In 2006 the cost per year to retire a draft horse estimated to \$4,000 per horse. Due to the growing demand for placement and special care we provide, we offer this sponsorship to those who want to make a greater impact on the horses here at United In Light, Inc.
